**“Expect great things from God.
Attempt great things for God.”**

- William Carey

Dearest friends,

My challenge is to write an interesting newsletter every two months to also inspire and encourage you in what you do also... as keep ourselves going forward! Keep expecting more from God, keep trying your best!

God has opened most interesting opportunities for us... with government officials, with the town council (in which we continue to offer to teach women on values and self-esteem), and preparing a booklet for teens... along with a small book I will be printing sometime soon for children, to give out in schools and churches. These projects require funds, but we believe they will be an impact for the gospel and education.

Something interesting! A young couple from church asked me to perform their wedding, which I did... with a short reflection and vows included!

Humberto and I shared at a Family Congress, teaching around 1000 people, in a church the other side of the city, on the subject “Healthy Families.”

Sebastian also participated in our AG Youth Convention, leading the worship and also teaching a seminar on business administration (what he is currently studying at the University).

We have also filmed 12 short videos on family and counseling, which you can find on our church FaceBook Manantial de Vida. In the photo both Humberto and I are sharing and being filmed.

Our new government is making serious adjustments these months, with such a high inflation and jobs need to be created. We pray our new President finds his way in such complicated times. Many Christians are involved in politics, which is a blessing.

I was asked to speak at a National Leadership Convention in June on “the challenges of a pastor’s wife”, which will be... challenging to prepare!

So... we pray our finances improve to work on these projects that will shape and teach many people, starting with the children’s book of which our daughter Nathalie is the artist.

Be blessed! Expect great things from God... and attempt great things for God!

SPECIFIC PRAYER REQUESTS:

*Funds to publish the children’s book.
Regular monthly support.*

We pray for you and ask God’s blessing on your life! And we are grateful for the Lord’s provision, each step of the way.

P.S. And remember, giving to missions is a way of sharing the Lord in a great way!
