Blessings to my dear friends in Christ,

God is so good and without His love I often ask myself, where would we be? The answer I come up with is, lost in the muddy mar of sin. So let us praise His holy name and rejoice in our salvation.

We have had such a blessed month of December with our Christmas party for our children and even the next day was a Christmas parade which we participated in, as always proclaiming the holy name of Jesus above all others.

We were so blessed this year at our Christmas party to have with us our pastors Buford and Ann Lipscomb, head pastors of Liberty Church's Pensacola, and the missionaries Pat Kelly and Ana Mc Daniels of Living Waters Guatemala. We were so happy to have them

here with us to join in on the blessing and fun of our children's special activity of Christmas. I have mentioned before, for many this Christmas party which we hold the 1st of December is the only gift they will receive or celebration they will have during the holidays. So it's special for our children. To have had the company of pastor Buford and Ann, and the missionaries was an added treat, I might add for myself as well. I am sharing the pictures of this blessings with this letter. It was wonderful to see the joy on the faces of our children as they all were given their lined vests.

This was the gift we were able to share with them thanks to the generosity of those who gave so we could give the little ones a gift that would keep them warm during the cold winter month. Yes we were blessed with enough to not only buy the vests and have a Christian group of young folks come with a message of Christ and joyful fun, but we were able to share hotdogs and soda with each child. Again I say God is faithful.

As we step into the new year, I want to thank each and every one who have taken part in the support of our school Alfa y Omega. On January 2nd we opened our doors to the school year 2017. We were over whelmed with the amount of children who are signing up to continue there education

at our Christian school and the amount of new students who are looking for a Christ centered education. Those who have prayed and sent in funds to make all that we share with our children possible. How many would not have heard the good news that Christ came and died for us, had you not cared to send out those who were called to go and spread His word among the lost. Thank you for sending me to the Mam Indian children of the highlands of Guatemala. Blessings!

Yours in Christ
