

# MISSION TO COSTA RICA

Facebook Mission to Costa Rica or [missiontocostarica.com](http://missiontocostarica.com)

We are privileged to host a Nonprofit Preschool - "Pescaditos del Salvador" - to serve migrant Nicaraguan children during the coffee harvest. Each day the children receive breakfast, lunch and snacks as well as personal care. The children also participate in Vacation Bible school activities including: learning about Jesus, the alphabet, numbers, and how to play together! Our focus is to serve the children who would otherwise be left alone in the dangerous coffee fields while their parents work. The mission is to share the love of Christ, using all the blessings God has given us!
