

To our dearest friends and family,

We are sending out our monthly newsletter, but with a twist. We have included a flyer with some pictures of the children you are supporting, the children we serve in our ministry. Our hope is that you place this flyer on your refrigerator, or otherwise visible place in your home. Our request is that you pray for these children, their families, and the ministry, even ever so briefly, whenever you pass it by until Easter. We are praying for the funding to reopen in October, for God to bring these families closer to Him, and that He use you and your prayers in a way only He can!

Thank you so much for your prayers and continued support! This letter and our request comes with zero pressure. Pray when God leads, and participate in the way He shows you. Our wish is to show you the faces of the families and children you support so you know who you are praying for. You must know, that the difference is made by all of us. This is the most amazing part of how God works, through His Church! We could never do this without you by our sides.

For more information, or prayer, we are glad to be a part of your journey as you are a part of ours.

Thank you for your consideration, and the continued blessing of your presence in our journey together. You make a difference!!

With warmest regards,

The Hutchins Family  
John, Jill, Maddie, and Mari
