AUGUST 2017

Dear Friends and prayer partners,

Greetings to you in the name of Jesus Christ who is coming soon.

Across the nation of India, millions of people seek life. However, around them, in the disease-ridden urban slums and the impoverished rural villages, death reigns. You can see it in the sad eyes of the Indian mother whose children are starving. You can see it in the hollow eyes of the drunkard father as he seeks satisfaction in an addiction.

And you can see it in the hopeless eyes of young Indian children, when they realize that this death, which envelopes them like a black cloud, is what life on earth has to offer them. To fill the gaping hole in their souls, they toil and strive, hoping to make their way to true life. They do this because they don't know that Christ is the only way.

*"For there is **one God** and **one Mediator** between God and men, the Man Christ Jesus, **who gave Himself a ransom for all...**"*

Millions of Indians still need to know this truth. We know that the wages of sin is death, and we see death all around us every day, among all people, in every nation.

But now, death no longer has the victory. Because two thousand years ago, a perfect sacrifice was made. Christ Conquered death on the cross!

Golgotha was dark and Christ said, "It is finished..."

On the third day, Christ arose. In His full Glory, the Lord of all creation came forth from the tomb. Jesus the Messiah, Savior of the world.

Now sitting at the right hand of God the Father, Jesus calls the nations to come to Him, to treasure the sacrifice He made on the cross, to triumph in the victory of His resurrection.

This is the Gospel, this is what we all need to take to each and every person in the great nation of India.

I pray every day for my people in India to lift their eyes to the One above rather than to the misery of their slum, or the poverty of their village, and look to God who is the Creator and the Ruler of the world. Jesus came out of death, through His resurrection, and He offers what no other gods can offer to mankind- He offers eternal life in Heaven, not based on any one's good works, but based solely on Jesus Christ's sacrifice.

I am asking you to take a moment and pray with me and do whatever God places in your heart to help us take this good news to millions of unreached people whom have never heard about their Savior, the only one who can save them from death.

Special Prayer Request:

In August we are planning a trip to India, and will be visiting the unreached villages of Bihar.

Please pray for the team and their safety while they travel all around the Northern part of Bihar. We will be doing open air preaching, visiting our local churches, and helping to start on a elementary school in an unreached village.

In His Great Mission, Shajan
