THANK YOU FOR SUPPORTING US AT AyO CHRISTIAN SCHOOL

Blessings to you all and a Merry Christmas and blessed New Year. I do trust that you are well and enjoying the multiple blessings that come with knowing our Lord Jesus and living in His abundant love. What more could we as Christians ask for at Christmas but to have Jesus Christ the living God, within our hearts.

Christmas here in the mountains of Guatemala is a wonderful time as it is world wide. We enjoy the cold as December is one of the coldest months of the year, well below freezing every night. Reminds me of my childhood in Massachusetts. Fun memories for sure, but no snow. Never thought I'd miss snow but hey I do.

I think we all, at this time of year, recall Christmas' past, our youth with our moms and dads and siblings, the magical moments making cookies with mom, decorating the house, wrapping presents and the happiness within our family. Then on to our own families, our husbands and wives and of course our children and the traditions we bring with us. Such richness of family traditions from around the world.

We at AyO have dedicated our lives to the mission of bringing God's word to the lost of this world, we must share the Gospel. Because Christmas reminds us each year that Jesus came to save us all from our sins and years later died on the cross for those sins, then rose again to wash them away!

Blessing and love from my family to yours. Across the many miles I send you my prayers and love. May your lives be renewed in Him our Savior.
