OCTOBER 2017

Dear Friends and prayer partners,

Greetings to you in the name of Jesus Christ who is coming soon...

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

August was a great month. My team had a great trip to India in the state of Bihar, which is the most unreached and uncivilized state in India.

My team went to an Island called "Rajapuur" and helped the village people get purified clean water. They also taught them how to make clean water easily and without a lot of money. They had the privilege to work with local Pastor Johnson to establish a school there. This particular village is surrounded by the holy river Ganga. There are no schools, hospitals or medical clinics, but there are several alcohol shops.

Please pray with us as we go forward with the school, as there are many obstacles we will have to face. The upper class often make the lower class people work for them from morning to evening. The upper class people do not want the lower class people to get an education or for any changes to be made among the lower class people. The lower class is made to work as slaves for the upper class.

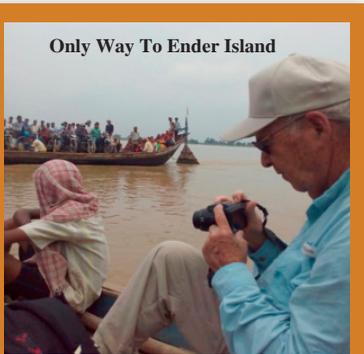

As we run the school in the village of Rajapuur, we will need to pay the teachers and need to make it a good atmosphere for the kids to come play and learn, and eventually the door will open for us to witness to the parents about Jesus.

A very special thanks to Pastor Shaji John and his two daughters, Clinty and Christy who helped us greatly during our time in Bihar.

Also a special thanks to Mark, Vial, Pat and Bab for visiting Bihar.

Temporary shed for the school, still need to finish the side walls.

Special Prayer Request

Please pray for the churches in Bihar, as there is a certain group of anti-Christians supposedly scheming to attack the Christian churches on Christmas day.
