GLORY TO THE LORD MOST HIGH!

What an amazing God we serve! In 2017, we were finally able to open the Grace Wing and care for women in crisis. (Most of you will know the type of crisis, but we can't say it here.) As Bob says, "It was the long road to suddenly, in the land of never before." It has been worth it all! To bless these women and to see their faces, is a gift from God!

Government battles have been fought and won. Bob, especially, but both of us, have had a few health issues this year. We fought and won. Our children and grandchildren, in the midst of life's adventures, are doing well. What more can you ask? God is good to us!

We hope you all have a blessed year to come! May the Lord bless you and keep you and make His face shine on you! He is good and His mercies endure forever!
