“Anywhere, provided it be forward.”

David Livingston

Dear friends,

This is just a quick newsletter to update our activities.

We have been blessed with a trip to the United States this February as a family. The US visas were approved in Buenos Aires, and now we are planning a 3 week trip to the States, leaving for the States January 31st to February 21st.

We will be visiting missionary and pastoral friends in Miami, Orlando, family in Houston, we will stop by our Globe office in Pensacola to visit with our amazing mission office team, and then return home, a trip packed with experiences and friends... we are so grateful to the Lord for this opportunity. Our 3 adult children will be joining us, as they are still single and glad to reconnect with their family roots, if only for this short trip! We will be renting a Caravan for our use there.

I wanted to thank those who gave generously during 2017, making all our ministry and missionary work possible in Argentina, as you have read in our past newsletters. God has opened amazing doors for us, and your gifts make it possible for us to do even more!

So, pray for us these days.

And wherever the Lord guides each of us this 2018, may it be forward!

P.S. And if you consider sending an extra gift, it would be a great blessing!
