

# Halls to Israel

LaVoy "Johnny" and Pat Hall  
halls2israel@yahoo.com

March - April 2018

## Shalom Friends,

Since we won't be able to tell you about our trip until our next newsletter, we thought you would enjoy seeing how some of your support has helped people "behind the scenes".

Edith is a single Israeli mom who lives on a very limited income. None of her kids are able to live with her as she suffers a lot with some health issues and does not have anyone to support her. As a dental assistant, she has to stand for many hours of her shift. She recently fell and hurt her feet, making it hard for her to work. Your support to the ministry helped us purchase special shoes for Edith's condition that has allowed her to work longer shifts. The special shoes you see in this picture cost approximately \$300 (NIS 3880).

Edith's Special Shoes

Orna and Sally Hosting a Bible Study for Teenage Girls

Orna and Sally recently hosted a small Bible retreat for some teenage girls over a long weekend. Five troubled teenagers-many from broken homes-attended what was reported to be "a fabulous, intense, fruitful and fun weekend of diving into G-d's Word". They studied about suffering and many deep-rooted issues. Orna and Sally wanted the teenagers to embrace G-d's view concerning these important issues; be able to repent of their mindset and choose to align their selves with G-d's will. They hope to equip them to be able to teach a little about it themselves, and in the process learn to receive criticism and provide feedback on their friends' teachings in a constructive manner. The food was provided by the feeding program to which you so graciously give. In an upcoming weekend, they plan to host an ever bigger group of about ten teenage girls so we can continue to sow into their lives.

Orna is a Messianic believer who lives in Israel. She oversees our feeding program and coordinates our work projects. She also manages the medical care of many Holocaust survivors with whom we work.

Sally, here in the picture with Johnny, works in the office of the congregation in Kfar Saba, Israel. Once our work projects have been decided on and planned, Sally helps us acquire the tools and supplies. She also helps us with transportation and has a keen eye for spying out great restaurants for us to try after a long day of work.

Cane for Buma

Buma and Malka are Holocaust survivors; Buma is over 80 years-old and loves walking outside, although he is losing his balance. We have purchased a walking cane for him for approximately \$50 dollars (180 NIS). His wife, Malka, needs a solid walker and we are trying to purchase that for her, as well. (No picture was able to be provided for the couple.

“Thank you very much for your food vouchers, we had no money for food left at all, we prayed and your gift was a wonderful answer, G-d’s goodness and provision...

In Messiah,  
Danielle and Gabrielle”

Danielle and Gabrielle

By the time you get this newsletter in March, we will already be in Israel for our next work trip! We will be there for two weeks working on several projects we have been planning for some time. It always seems like we have more projects than time when we are there, but we always strive to complete each task to the best of our ability. We believe in doing everything with excellence, just as Colossians 3:23 states: “Whatever you do, work heartily, as for the Lord and not for men.” Because of this, we always have to balance planning enough projects that we can perform well within a certain time frame verses helping all the people in need of something. For this, we

always rely on G-d to help us make decisions. As you think of us over the next couple of weeks, please keep our team in prayer as we set out to help many different families and communities during our trip.

**Thank you for your prayers and support,**

Happy Resurrection Day

Passover starts  
Friday, March 30, 2018 and  
ends Saturday, April 7, 2018  
at nightfall
