April 2018

Blessings to you all my dear brothers and sisters in Christ,

Blessings to you my dear ones. Blessings to those of you who receive my monthly newsletters and are partners with us, working together, praying and sending funds so that we as missionaries can continue here on the front line. For us, here at Alfa y Omega Christian school, who are your hands stretched forth to help send these children who God has sent to us. Sharing love, knowledge, and most important the Gospel of our Lord Jesus with these dear children is our work. I thank you my

President of Globe International, Doug Gehman

friends and family for allowing us to continue working in the mountains of Guatemala with the Mam Indian children.

We were so happy to receive our President of Globe International, Doug Gehman for a visit with us. Doug had never been up to the mountains of Guatemala to our village of San Juan Ostuncalco. We both had a wonderful visit. Though short, only three days, but we got a lot done. Doug saw what AyO Christian is all about. We missed Beth, Doug's wife, as she was not able to make the trip. Doug was on a whirlwind trip to Central America visiting several other Globe missionaries. Also, we missed our dear friend Scott Brown as he had prior

commitments. We are hoping for another visit from the Globe International Leadership team, they truly are a blessing to many.

Soon we will be headed towards our Easter week, as so many around the world

remember the Death and the Resurrection of our Lord Jesus Christ. Here in Guatemala there will be processions through the streets of all the towns both large and small. The processions include beautiful elaborate rugs made of sawdust dyed in many colors and carry the images of the family of Christ remembering His death. It always amazes me that after the crucifixion, all is finished here in Guatemala. Really Easter Sunday for Christians is the real day of celebration. He has risen so that we can be saved from sin.

Blessings to you all. Again thank you for your support so we can bring the love of Jesus to those who so have need of it.

Yours in Christ,

Judy Hernandez
