# GREG, ANA, & CRISTI NEMER

MAKING DISCIPLES · PLANTING CHURCHES · REACHING NATIONS

UNREACHED

**Whatever I teach you, teach others to do the same! #multiply #2Timothy2:2**

*Our vision is to multiply disciples and churches all over the World, especially with those who have not yet heard.*

As our partner, you'll be credited as we train, send, and serve disciples so they can reach more people for Christ.

### Ministry Update

As I write this newsletter, Doug Gehman and I are in Costa Rica encouraging Globe International missionaries to multiply and mobilize more disciples for Christ.

### Changed Lives Multiplied

Fernando arrived in the home where we were holding our Saturday night English speaking disciple making group in Chiapas, Mexico. He told me he learned English by watching movies and listening to rock music. He was formerly an atheist and was full of questions about Jesus and His plan for his life.

I explained what we do in our groups, "Tell a Bible story, repeat it, and discuss questions about the story so we can apply them to our lives and teach others to do the same".

That Saturday evening began a life-changing chain of events as Fernando proclaimed,

*"I'll be a disciple who makes disciples for Christ"*

Soon after, I had the privilege of baptizing him.

Fernando's commitment to share God's story and his own testimony with all his friends and family came into fruition.

In fact, he shared Christ with his unsaved father and mother. A few weeks afterwards, Fernando's parents invited Ana and I over to their house to discuss some Bible stories. However, while trying to share the stories we had a difficult time because Fernando's younger brother, Eber was upstairs beating on a drum loudly to some roudy music.

Praise God, despite the noise, both of Fernando's parents made decisions to follow Christ.

Fernando kept on obeying God by sharing whatever he learned with others.

*Guess who just showed up with a Bible in hand at our local church in Mexico?*

Yep, Fernando's younger brother! Fernando led Eber to Christ and is teaching him how to do the same with others. That's what disciple making multiplication is all about!

### You're Making a Difference!

Because of you, we're able to see lives changed and disciples multiplied. *Thank you so much for your prayers and financial support.*

That all may worship,

*Greg, Ana & Cristi*
