SCOTLAND

August 2019

Hello Everyone!

It goes without saying that missions is about people. This month, I'd like to tell you about two Scottish ladies who are blessings in my life. The first is Cathie. Cathie's daughter, Janice, was in our prayer request area this year. Sadly she passed away in April. Cathie is a dear mother walking through the loss of her only daughter, which of course, has it's good days and bad days. BUT, she is a help in church, an encourager and loves to buy me custard cream biscuits! She's a joy!!! The second lady is Sandra. Sandra lost her mother when she was a wee girl. As an adult and only child, she has seen the death of her entire family. We ARE her family now! And we love Sandra to bits! She's coming out of her shell and surprises us with comments about things like loving roller coasters! She's a hoot! People like these two wonderful ladies are why there are missionaries-to see people come to life! (And on top of that the missionary receives a blessing!!)

COMMUNITY TABLES

Helen Keller said, "Alone we can do so little; together we can do so much." This is our heart with member care in Globe. The missionaries need partners both in the States and in Globe. We CAN do it together!

Last month we mentioned about handing out flyers in the area around the church. Our folks enjoyed it and passed out 500 flyers in one day! They are amazing! It has lit a fire in many in the church to speak to people and to put the church information in other locations for people to see. We've had one lady respond so far to the flyers. May the Lord bring on the harvest!

This month we participated in a table top sale for the community centre His Family Church meets in. Our church raised about half of the income in the sale. It was a fun day of games and talks and laughing!

Thank you for praying for Linda in our last newsletter. I'm sorry to say, she passed away, This was a BIG hit to our family. Linda was our grandchildren in Scotland's grandmother. This was a very unexpected loss; she passed only eight weeks after being told she had cancer. Please pray for our grandchildren, their parents, and Linda's husband and the family.

Thank you all so much for your love and support through prayers and finances! We love these people and you too! What an honour to serve both in Christ. We sure would love you to come visit and see what we see!
