

GREATER IMPACT: THE POWER OF PARTNERSHIPS

Globe International has regularly collaborated with the Luis Palau Association Next Generation Alliance (NGA). We've conducted sports outreaches, movie events, and outdoor festivals in the United States, Europe, and Asia. The partnership, with Globe missionaries and other organizations, has made a huge impact. In July 2015, we were given VIP status at "City Serve" in New York's Central Park. Over 60,000 people attended and 1700 churches cooperated in that historic event.

WHY COLLABORATE?

DOUG GEHMAN

President, Globe International

Most start-up ministries need assistance. The founder's strength is preaching the Gospel and doing ministry. Building and managing the business side of ministry can be a challenge and a distraction. This is where Globe International shines! Globe's state-of-the-art systems and equipment, and our experienced staff and leaders, can help emerging ministries be quickly effective. NGA is networked with nearly 600 evangelistic ministries – large and small – and continues to grow. NGA and Globe have joined hands to serve emerging ministries.

ENDORSEMENT

Vice President of NGA
& Corporate Affairs

"The Luis Palau Association's Next Generation Alliance (NGA) believes our new partnership with Globe International will allow us, working together, to identify, affirm, mobilize and equip a greater number of evangelists to take the Good News of Jesus Christ to the nations. We believe this partnership will empower and release more evangelists to reach more people, more effectively for Jesus. It will train men and women on the front lines of evangelism in critical areas of ministry, enabling them to spend more time sharing the Gospel and less time on administrative support services."

Perspectives
on the World Christian Movement™

2017 - OUR BIGGEST YEAR EVER!

SPRING UPDATE

Perspectives first came to Pensacola in 2008; hosted by a large church on the north side of the city. We started classes at Globe five years later, in the Spring of 2013, with an enrollment of 22. The second class in Spring of 2014 was closer to 30, with some students commuting from Fairhope, Alabama. In 2015 we added a satellite "loop" class at 3 Circle Church in Fairhope, with nearly 50 people enrolled. In 2016, a church in Destin asked to host a class, so that year we facilitated two "loop" classes from the Pensacola hub. 2016 total enrollment expanded to 75. In June 2016 we hosted a Training Workshop at Globe in Pensacola to train six new Coordinators. The current Spring 2017 semester has two classes, one in Pensacola and one in Santa Rosa Beach, with total enrollment exceeding 70. Student enrollment represents over twenty area churches!

Classes are being planned for the 2017 Fall semester in Fairhope and Mobile. We may also feature an online class with regular meetings this Fall. We are very grateful to be a part of the growing Perspectives movement as we help to prepare God's people to touch the nations for Jesus Christ!

NEW INTERNS

**AUSTIN
HIRTH**
ROMANIA

I grew up in Romania within a missionary family and fell in love with the country at an early age. This past summer, I went on a mission trip to Oradea, Romania. After coming back to the States, I discovered within me a deep longing to return. My goal is to go back to Oradea this year. Once in Romania, I will help with church activities, help translate for visiting teams and work on various service projects helping the impoverished communities of Romania.

**THE
MILLER'S**
NEPAL

Paul, Amy, Jackson, Alessandra, and Addison make up the Miller family. Their mission focuses on a city at the base of the Himalaya Mountains in western Nepal. They will be ministering through church planting and training, leadership and pastoral development, and theological education to reach the 29 million unreached Hindu and Tibetan Buddhist peoples of Nepal. Their vision is to see a viable and self-replicating indigenous church planting movement spread throughout Nepal and into South Asia.

**LISSI
HOLLOWAY**
INTERNATIONAL

Lissi feels called to speak for the unborn and bring healing to wounded women in the USA and internationally. As a former crisis pregnancy center director for over 9 years, she understands the importance of preventive dialogue, educational lifesaving materials and discipleship. She has a desire to lead women to the presence of God, where they will find fullness of joy. God has also placed in her heart a desire to bless developing crisis pregnancy centers with much needed prolife educational materials.

THE UPG CHALLENGE

*Today's Reality: 16,000 People Groups in the world...
6000 are still without the Gospel*

A "people group" has their own language, culture, and identity. Every one of us is a "member" of one of these people group "nations." Thousands of such people groups are "unreached," meaning they have no viable Christian witness, no Scriptures in their native language, and no church. These unreached people groups – UPG's – need a missionary! Somebody must leave their own people, their own culture, and go to another people, to learn a new language, immerse into a new community, and build trusted friendships that will produce opportunities to share the Gospel and plant a church. THAT is the UPG Challenge!

Making Disciples. Planting Churches. Reaching Nations.
