

THE POWER OF SENDING CHURCHES

PARTNERING WITH SENDING CHURCHES

FROM THE BEGINNING,

when Jesus began building His Church, God has raised up "Antioch Churches" who are called by God to send missionaries to the nations. Mission agencies like Globe International are joining hands with such sending churches to reach the nations for Jesus Christ.

PAUL'S FIRST MISSIONARY JOURNEY

The apostle Paul launched his precedent-setting ministry from a church in the city of Antioch. **This first missionary journey** – the first of five – began when he was thirty-three years old and set Paul on an international missionary career that encompassed the remainder of his life. It included ministry in modern day Syria, Cyprus, and Turkey, but in later years Paul would preach the Gospel and plant churches in many more nations.

DEVELOPING A CULTURE FOR MISSIONS

"Now there were in the church at Antioch prophets and teachers... While they were worshipping the Lord and fasting, the Holy Spirit said, 'Set apart for me Barnabas and Saul for the work to which I have called them.' Then, after fasting and praying they laid their hands on them and sent them off."

Acts 13:1-3

THE IMPORTANCE OF HAVING A SENDING CHURCH

While Paul's ministry developed its own culture and autonomy over the years, he never lost connection with the church that sent him out, the people who had partnered with him in his going, and the leaders to whom he related.

This is the power of sending churches! Sending churches hear from God! Sending churches raise up leaders! Sending churches identify those who are "set apart by the Holy Spirit for the work." They pray over them – even with fasting and the laying on of hands – and they send them to the nations!

Mission organizations like Globe International join hands with sending churches by providing the administrative and strategic support of such "called and sent ones." Agencies help manage the financial support of multiple sending churches. They help coordinate services like member care, communication, project management, and strategic guidance.

The world needs more Antioch Churches! The Great Commission is not yet fulfilled. Billions more need to hear the Gospel! Thousands more must be sent to preach and plant churches!

If you are a pastor, consider how you can more powerfully be an Antioch Church. If you are a church member, consider how you can serve your church in a sending vision. If God has called you to GO, get vitally connected to an Antioch Church who can help you launch when the Holy Spirit and the leaders around you tell you that it is TIME TO GO!
