

TACKLING THE UNFINISHED TASK

At the Globe International Expo on April 29th, we rolled out Our Part in Today's Massive Challenge of Unreached People

For two thousand years the Church of Jesus Christ has advanced the Message of Jesus Christ to the nations of the world. The success has been so great that today, on every continent, people gather weekly to worship our Risen Savior. Christianity is the largest religion in the world.

Yet, the sobering fact remains: still over 3 billion people have not yet heard the Gospel. Nearly 7000 distinct ethnic groups – with their own language and culture – still do not have a viable church presence. They are Unreached People Groups (UPGs). Many have no Scriptures in their own language. Many do not even have access to a Gospel witness.

PLEASE JOIN US! HELP US:

1. **RAISE UP GOERS!**
2. **TRAIN GOERS!**
3. **FUND** scripture translation
4. **SET UP** operational bases
5. **RESOURCING TOOLS**
(water filters & evangelistic products)

Globe International is helping to change this! We have joined hands with others – like Wycliffe Bible Translators, the Seed Company, and The Jesus Film Project – to get the Gospel and the Bible, into the hands of unreached people. We have joined hands with trainers too – like Curtis Sergeant, Global Frontier Missions, and Beyond – to prepare our people for the challenges of bringing the Gospel to UPGs.

Still other ministries – like Filter of Hope – are helping us with practical tools that open doors to homes and communities to meet a real need.
