Training Missionaries in MEXICO

February 2019

We are amazed at the doors that God has been opening this month! During one of the monthly meetings, I was named to co-lead the Missions Committee of the Fraternity of Pastors in Chiapas. I didn't even know about it until I found myself at the board meeting and saw my name on the documents. Keep us in prayer as we move forward into this new territory. We know that the pastors here will be the strategic key to what God wants to do in this state and around the world. I keep telling them that "the missionaries we send will be proven in the local church, sent by the local church, and go to plant local churches."

I was asked to give a "workshop" in the Annual Conference of COMIMEX, the Organization of Missions for Mexico. Micah Larsson and I traveled to Queretaro where it was being held. As it turns out, the workshop was in the main auditorium! We had a great time connecting with ministries and missionaries from all over Mexico and even missionaries who are serving around the world.

I am now serving with the Confraternidad of Pastors here in Chiapas

Training new Kairos facilitators to continue the work

We loved having Diana's parents visit us in January

We love ministering together in the local churches. The Holy Spirit moved in a special way on this day.

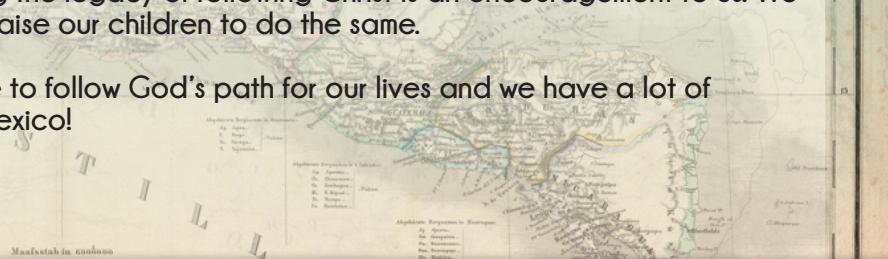

We are excited about how God is building His team to do His work

We held a Kairos Facilitators' training this month. I love seeing how God is raising up leaders to train leaders! Every one of the trainers and facilitators has an incredible call of God on their lives, and I really enjoy working with them. Our goal is that they be equipped to run these courses independently of us, so that the work will carry on in our absence. God has given us an incredible team to serve alongside.

The family made a quick trip to Guadalajara to visit our dear friends and part of the Misión Global team, Jorge and Rosa Gutierrez. They invited us to minister in their church, but the highlight was definitely sitting with them and hearing what God has put on their hearts. Their stories of faith in the midst of trials are amazing, and the testimony of their kids continuing the legacy of following Christ is an encouragement to us. We hope to raise our children to do the same.

Please pray for us as we plan for the future. We desire to follow God's path for our lives and we have a lot of decisions to make. Thank you for standing with us in Mexico!

Love,
Josh, Diana, Clara, Joel, Micah & Benjamin
