Hughes News

Mrs. Nit has been a sincere follower of Jesus ever since she met the Lord. It has not been easy for her as one of her sons has been resistant to Christ. Whenever the team would go to visit her house, he would say ugly things to discourage them. Sunday, they brought the need to the meeting and we all prayed together. We prayed also for her daughter-in-law, this man's wife, who had been unable to walk for over a month. We all agreed for Jesus to be victorious in Mrs. Nit's household and that God would deliver her son and heal her daughter-in-law.

We were on our way home from the meeting and got a call from some of the ladies. There was much rejoicing in the background as one of them explained that when they got to Mrs. Nit's house to pray for the daughter-in-law, she came out to greet them walking! They were so excited! They said, "Now we are ready to go and pray for more people to be healed. Praise the Lord!"

The son was very nice to them and gave glory to God for healing his wife. He also gave a testimony that he was driving and felt for sure he would have an accident but he felt someone push his face to the side and he ended up on the side of the road and unharmed. He says it must have been God who helped him. Praise God for answering prayers!

Yesterday, we were able to bring a team up to Udon Province for a meeting in Mrs. Toy's home village. She has done a great job taking care of them and the people are growing in the Lord and becoming a beautiful group of believers. There were several testimonies of healing and deliverance and one young man was brought back from near death after being in a motorcycle accident. He was there to hear the Gospel and receive prayer.

Thank you for your prayers for us! Please pray God will grant us the grace to carry the Good News to the unreached.

Thank you so much for your love, friendship and faithful support for us and the ministry here in Thailand! Your love gifts make it possible for us to spread the Good News of the Kingdom to those who would never otherwise have a chance to hear. We will be visiting the States this Spring and hope to see many of you! Please contact us if you would like to get together.

We love you! Bill and Julie Hughes
