

*"No one can please God without faith, for whoever comes to God must have faith that God exists and rewards those who seek him."
Hebrews 11:6*

March 2019

I was just praising God for the people here who truly believe in Him and that He will reward them when they seek Him. They show that they believe by looking to Him amid the circumstances of life. They will not be ashamed. He will come through for them and He does! He comes through every time! God is looking for faith and when He finds it He loves to pour out his miracle working power on those who believe.

Last month I shared about a woman being healed after not being able to walk for some time and what a testimony it was to the wonder working power of God. The lady is still well and went back to work. Afterwards the women were so excited and exclaimed, "Now we will have faith to go and pray for even more people to be healed!" So this month, they have reported five new people being healed who are now able to walk again! Faith is rising.

Praying for Mrs. C

Sunday morning, as we came up to the house of prayer, we noticed there was a wheelchair pulled up to the front. When we came up to the porch area, our people were praying for a lady lying on a mat. They began telling us her story. One of our team members had a relative, Mrs. C., in a neighboring village who had a stroke. It affected the left side of her body. They began visiting and praying for her. She started getting better. Now, her husband had brought the whole family to worship God, including their daughter and two grandchildren.

Mrs. C was at first lying down and the ladies were praying for her, encouraging her and massaging her legs. Then as we began to worship, she wanted to sit up. She was crying and wiping her face with an old rag while we were singing. The left side of her body had begun to have some movement already and then as the meeting went on she felt that she wanted to sit up. Then she wanted to try to walk. Her husband helped her to walk along the railing. We were all rejoicing in the Lord for this progress.

We were also very encouraged by the way the Lord spoke to all of us during the service. Mr. Sum began to explain to the new people about what we were going to do for the meeting. He explained that all of the people are out sharing their faith, praying for the sick and helping the poor and then they come together to receive from the Holy Spirit something that will encourage them for the week to come.

When he said that, I saw in the Spirit, people's faces looking to the Lord in faith. They were expecting God to visit, refresh them and to answer their prayers for help. And I knew that God would never disappoint the faith of these people.

After we worshipped the Lord, several shared a good Word they had prepared. Mr. Sum shared the passage out of Luke 8:16-18 which talks about not putting your light under a bushel but letting it shine and then it talks about paying attention to the Word of the Lord and using what you have. The Lord reminded all of us how important it is to stay in the Word of God, to read and memorize it. Nowadays, there are so many places to seek advice, direction or counsel but let us be people who seek the Lord. We will not be disappointed.

In other news, our son, Josiah and his wife, Jackie had a baby. A beautiful healthy baby girl named Isla Grace. We rejoice with the new parents and are so excited to see the them in just a couple of weeks.

Please pray for us as we get ready to go to America. There are lots of details to wrap up. Please pray also that our visa renewal goes well and that we will be granted another year to minister in Thailand.

We are excited to see you all. We love you and thank God for you. Thank you for your love, prayers and financial support.

We love you! Bill and Julie Hughes
