

Partnership Development / Fundraising

This is a very important part of your preparation and training. We partner with and recommend Kingdom Come Training (KCT) for Partnership Development. This is very effective training to better communicate your vision.

This is KCT's website which gives more info on their training: <https://kingdomcometraining.com/>

We desire that you are successful in the calling God has for you. We also desire that you are fully funded to fulfill this calling. Financial issues top the list for reasons that missionaries return from the field.

Because of the importance of this, if you choose not to go with KCT, then submit a specific plan for Partnership Development / Fundraising. Submit your plan to danny@globeintl.org
