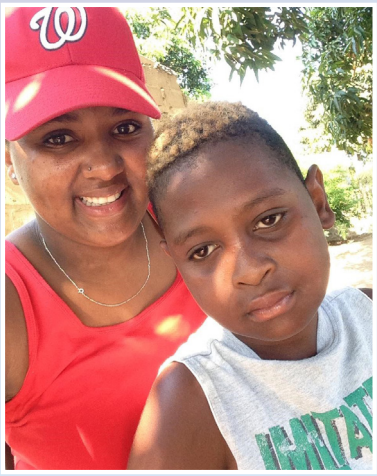
Beacon of Hope

February 2019

Blessings,

Our youth are back for the 2019 school year, excited and ready to learn and make this year better than the last. I am excited for all God has for them and for my family. Our total youth this year will be 13 very active teenagers. Helping the youth in Mozambique is God's call on my life and I strive to do the very best I can, but I always ask God for new ways and ideas and to be led by Him. My goal is always caring for our 13 returning youth and focusing on them finishing well. We will end 2019 with at least 3 of our youth graduating BOHA! Investing in these young men of God is important.



My return to Mozambique was met with much excitement and many hugs from my sweet children. I am so thankful to be home but leaving my family in Texas was harder than ever before as the loss of my Dad was so heavy on all our hearts. I ask for your continued prayers for me and my family on both sides of the world as I trust God to cover them with his love!

The youth returning for school.

The students with their backpacks and school supplies as school starts today.

Writing words on paper is not my strong suit but, I can talk and share about BOHA and all that we accomplished last year. I am praying for God's direction and provision for this year. The school fees, school supplies, new youth bedding, mosquito nets, pillows and toiletries have been provided to start the year off and we Praise God for His provision.

Thank you for your continued support of BOHA! Pray for our protection, guidance and wisdom, and for our youth to desire a deeper knowledge of God. Pray for God's provision for BOHA because as God blesses us we can bless others, even beyond our youth, into our community! Prayer is so important because I can assure you I could do nothing without prayer from you, the body of Christ. Thank you

Jesus, let your light shine through me, through BOHA and our youth. Mold us and use us to share your love to all we meet and bring us to a deeper walk with you. Give us the strength for whatever we face this year and may we praise you in all things because you are worthy!
