"Depend on it. God's work done in God's way will never lack God's supply. He is too wise a God to frustrate His purposes for lack of funds, and He can just as easily supply them ahead of time as afterwards, and He much prefers doing so."
- Amy Carmichael

Dearest friends,
2019 was a very difficult and challenging year for us all in Argentina, with prices soaring, the peso demolished, elections and change of government. ... But the time is ripe for the message of Jesus to be spread even more so.

From here in Argentina, where the 2019 inflation was confirmed at 53% (the fourth highest inflation of the world), we began the year as a family planning and praying for 2020. What is our word for 2020? **Breakthrough.** Breakthrough in projects, impact, finances, extension of our work here in Argentina and to the Spanish speaking world through the Internet.

What is our main project for 2020? Beyond our regular activities as pastors and leaders in our city, we are aiming at the Internet: planning for teaching blogs, vlogs, podcasts, and videos that can reach many. We are already working on the structure to work on this "legacy" impact: put into writing and in audio training, courses and teachings to spread the Word to many more. I personally have written over 40 books on useful and relevant subjects, to be made available on the Internet for free. Our son Ari will be our producer, (as he is a professional film producer), and he will be making the time for this.

Will you help us? A monthly gift, or a once a year gift, no matter what size, will make such a difference because of your contribution! Just \$500 (U.S.) more to our monthly missionary income will make all this possible! Pray about this, perhaps your church may want to contribute to our work here.
