CALLED TO THAILAND

STUBENRAUCH FAMILY

Hello from Thailand!

If you've been waiting for news of our visa situation since last month's newsletter you can rejoice with us that we were granted a 90 day visa! Our trip to Laos and our visa request was another opportunity to see the provision and love of God toward our family. Thank you for all your prayers over the months and years! God hears and changes things on earth when we pray.

The next time you hear from us we will be in Florida! We are so excited to get to spend time, face to face, with so many of you again.

We will be attending meetings for a couple of weeks in Pensacola in March with Globe International. This will be the final step in our process of becoming full-fledged Globe International missionaries. Globe has already been such an amazing blessing to our family in so many ways.

A visit from our dear friends, the MackNights, who were missionaries in Thailand for 30 years!

weeks ago, however, I had an opportunity to do an interview project for a class I'm taking and it was such fun to sit and chat the morning away with a grandma in the village. For the Perspectives On The World Christian Movement class I have just finished (GREAT class, by the way! Take it locally or online!) I was asked to interview a non-believer about their life, worldview, values, family life, and religion. That's easy to do around here! After living in Thailand for almost 19 years I know that we will never be finished learning about the lives of the people we live among. After talking with Grandma for a while that morning she looked at her friend and said, "Jesus makes the way to Heaven so clear! You don't have to wonder!" I loved hearing those words.

We love you all and are so thankful that we've got Kingdom-minded brothers and sisters partnering with us in this GREAT Commission! What an honor we all have been given to be His and to partner with Jesus in His mandate to make disciples of all peoples everywhere.

Love from Thailand,

Brian, Mary Beth, Asia, Mercy, Micah, Tyndale, Creed, and Davy

A visit from our sweet Nan who lived and worked with us for many years.

Next, we will be heading down to Winter Haven to visit our family and friends. We will be there from late March to late April. We can't wait to see you all!

Things in Thailand are going well and the believers here continue to grow in their faith. They are still regularly seeing the power of Jesus displayed in ways that draw the hearts of their friends and neighbors to the heart of God. They continue to meet in their home church groups and then to also gather together for times of worship with several groups meeting together. Brian and Bill still meet with the leaders and have training days each week in the two main villages where we work. They teach from the Bible and then go visit homes together.

Brian is usually the one teaching in the villages as I homeschool the children. A few
