## Hello Friend

August 6, 2020

This trip is oh so different from our usual Stateside trips. We still have a full speaking schedule but social distancing makes it a challenge to raise support. NEVER-THE-LESS... God knows and we have had some awesome surprises along the trip so far! Thank you to a very special lady in Pensacola for your amazing support! A huge thank you to Charity Chapel for housing us while we were in Pensacola!! Thank you Crosswalk Fellowship for taking care of some of our needs!

We enjoyed attending a Global Alliance Networks conference via Zoom. We have been credentialed with them since 2004.

One change in our schedule still ended up being a huge blessing to us! We so appreciate our visit with Larry and Kendrah Ranson, who brought along blessings of homemade scarves for Kinrick Kids made by William and Darlene Yeates! We enjoyed a few days of laughter and a trip to Buc-ees for some tasty treats.

Thank you for your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

## Here in Scotland, they

have now started to ease the lockdown. Things are still fairly strict here and our church is still only meeting online. We have been keeping up with the Superheroes, our youth, and they have been doing great! They are finding verses for themselves and sharing them with us and with folks in the church. It has been great! We have also had to be quite inventive when it comes to playing games! Fortunately, God has helped with even ideas for that! God isn't limited by distance and I love that! Although it may be a while before youth can meet in person, God is doing great things in the here and now!

The Tea Room has had to be closed for several months due to the government guidelines. We are now preparing for it to reopen. We have had to make several changes to align with the governments rules but our hope is that in opening, people will get to experience the peace we so often are told people have when at the tea room! We are hoping that in these uncertain times, God's perfect hope will radiate through this house and into the lives of all who come through the doors! Please pray for the protection of all in the house as we reopen the Tea Room! That, as we step out, God would be our wrap around covering!

**Peace, Cassy**
