CURRENT NEWS | WORLD CHANGERS

SEPTEMBER 2020

Perhaps Fall is in the air where you are but here in Pensacola, it is HOT!! Across the world, COVID continues to cause disruptions of “normal” activities, and masks have become a fashion statement! But God is on the move! We keep hearing reports of God moving in magnificent ways and of growing prayer for our nation and the world!

As I write this, here at Globe we are preparing for our first virtual Candidate School. It will definitely be different, but we believe it will be good.

We continue to meet with missionaries and interns via Zoom encouraging them and letting them know they are not alone in the challenges they are facing.

I (Danny) have begun training as a coach. We have been involved in coaching and mentoring for several years and I felt it was a good time to hone my skills in this area. I have already benefited and am enjoying learning more.

Some of our interns are back in the States due to COVID restrictions on the country of their calling. Last month, they held a training on Disciple Making here in Pensacola. We participated along with another missionary couple and the wife’s mother. It was a great week! They did a great job! We have planned another training in October and perhaps Judy and I will participate in teaching this time. While our interns are anxious to get to the country they are called to, they are blessing us and others while they are here.

More than ever we covet your prayers and support. Please let us know if there is anything we can pray with you about. You are a blessing to us!

WE COULDN'T DO IT WITHOUT YOU! THANK YOU FOR YOUR PARTNERSHIP!
