

# The King's Harvest

GO. DISCIPLE. BAPTIZE. MULTIPLY.

## Dear friends & family,

January 2021

As the year 2020 closes out, we can't help but be so grateful for the opportunities we had to be the hands and feet of Jesus on your behalf during a most difficult time in our world today. In November, we were able to take a weekend trip back to Michoacan and see some of our special friends. We are happy to report that they are growing in the Lord and we have seen multiplication come from some of these groups. Praise the Lord!

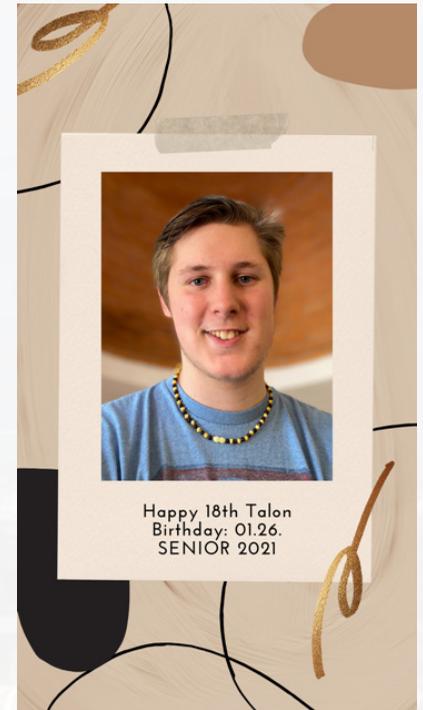

We continue to remain committed to making Disciples as we face a new year, with new goals, and new challenges. Our third online Zúme Training will wrap up this month. It has been so neat to see the Lord at work in this family. In looking to expand into our local area, we will be taking some "prayer drives" to pray over areas we believe are the next phases of making disciples here. We love that this type of ministry is so simple to reproduce and can be done anywhere in the world among people with open hearts to receive.

Please continue to lift up the villages further out of our area in the mountains. Due to Covid-19 restrictions placed on them by their municipality, we have not been able to visit them since last September. They are continuing to use the Mega Voice device which will continue to prove essential when we can't meet in person.

Over the last few weeks this song 'The Solid Rock' by Edward Mote has come to our thoughts many times. As we navigate uncertain times all the while holding on to our faith in Christ, we can be sure that He never changes.

*My hope is built on nothing less, Than Jesus' blood and righteousness;  
I dare not trust the sweetest frame, But wholly lean on Jesus' name.  
On Christ, the solid Rock, I stand; All other ground is sinking sand,  
All other ground is sinking sand.*
