Dear friends,

Since the New Year has begun, Scotland has been put on more restrictions due to the increasing COVID cases that developed from the Holiday gatherings. We are only allowed to go out for essentials, you cannot visit anyone in their homes, and if you want to meet up outside, you are only allowed to meet with one person at a time. The police have been patrolling the area and making sure these laws are being practiced and put into action. Scotland needs your prayers! The economy and surrounding businesses are struggling to stay afloat. The people of Scotland are fed up and discouraged! My prayer through all of this is that God will move in the hearts of His people and turn them to Him! That they will call on His name and see Him rescue them!

Nevertheless! God is on the move!!!! Sunday morning prayer is taking off and war is happening! As the weeks go by, I can see the hearts of the people longing for God to move and in their prayers, they have changed to battle prayers! Those who are joining before we have our online church service, are praying together and asking God to create

His miracles and fight for this land! We pray that He would heal His people and bring them to Himself!

God is answering our prayers! We are seeing Him answer our prayers and this excites us! One thing that we have been asking for is that; there is a bill out before the government that is asking them to make the Bible a "hate book". If this bill passes, then the Bible would be illegal in this country! We are asking that God would destroy this bill, and it would not even reach the hands of the people to look at. Will you join us in prayer for this?

Kinrick kids is in full swing via YouTube! We film every week and Ryan and Chris Haney put it online for everyone to see. They are sharing it with the schools as well! We pray that the videos will go viral and that as the kids watch the videos, the Holy Spirit will go throughout their house and bring them peace and the want to know more about Jesus! We pray that they will all ask Jesus to be their very best friend!

We have also been praying that God will keep their hunger alive and growing during the time that we are not allowed to meet in the schools. We really hope that this year COVID will end and things can get back to the way they are supposed to be!

God has a plan, and I am asking Him to give us new creative ideas on how to reach people for Him. Even though there are restrictions, we pray that many will come to know God!

I am also continuing to do the ladies' meeting via facetime! We meet every other week. We come together and chat about things that are going on and how things can be tough! But then at the end, we always end with sharing Bible verses with one another and pray for one another! I think this is a bit of fresh air for everyone! We miss each other and wish we could meet in person but no matter; we are thankful for the technology that allows us to come together online! God is moving and our hearts are being encouraged!

When we share verses with each other, they always are of the same theme and this is amazing to me! It shows that this is exactly what we need and that our hearts are on the same page!

*"Oh, taste and see that the Lord is good!
Blessed is the man who takes refuge in
Him!" ~Psalm 34:8~*

We are remembering that we can do nothing without God's help and we are challenged to invite Him into our every day!

PRAYER NEEDS:

1). I have been asking God to help me meet my monthly needs. Because of COVID, I know that this has affected everyone financially. Unfortunately, this has also affected my monthly support. If you would like to partner with me in helping meet this need, all prayers and support are greatly cherished and appreciated!

2)Please continue praying that God will clear COVID up! Praying that we will soon be able to meet for Church, in-person and that things can move from online connections to in-person connections.

3). That the Bible will continue to be a cherished book for Scotland

Thank you all for your constant prayers and support! I pray that He will continue to bless you and give you favor in all that you do!
