February 2021

Greetings from chilly Pensacola!

It seems it has been colder than usual this winter here in Pensacola. Here at Globe, the ladies have enjoyed actually getting to wear their boots more than a few days! With that said, I think we are all ready for Spring!

A "RED SEA" MOMENT!

COVID continues to hamper international travel for a lot of us, but a few countries have opened. One of our intern couples, Cody & Jessica Mathews have been waiting patiently for Peru to open up. The second it did, they booked flights and took off with their 3 little girls. They landed on the last flight allowed in before Peru shut its borders once again! Cody said it was like a "Red Sea" moment for them! They are

settling in and adjusting to their new environment where Cody will be training local pastors.

GOD IS DOING EXCITING THINGS HERE AT GLOBE!

While COVID is keeping some of our missionaries from the countries of their calling, God is using some of them here at Globe while they wait. We have formed a task force which we are calling the Frontier Initiative Task Force. The purpose is to move forward as an organization to see disciple making movements among unreached groups both here in the US as immigrants or refugees and in other countries across the Globe. We are meeting as a group regularly and setting goals and action plans. One of our primary goals is mobilizing workers to go! It's great having these young missionaries with their enthusiasm, fresh ideas, and energy to move this vision forward.

PRAYER NEEDS:

1. Pray for the Frontier Initiative Task Force.
2. Pray for protection for us and the staff at Globe, as well as our missionaries from COVID
3. Pray for the many unreached people who do not have access to the Gospel and for harvesters for the fields of the world.

THANK YOU!

None of this is possible without those of you who pray for and support us financially. Thank you for your part in all that we do!

- Danny & Judy

WE COULDN'T DO IT WITHOUT YOU! THANK YOU FOR YOUR PARTNERSHIP!
