

Honey Happenings

Hello Friend

February 2021

Last month, we shared about being in lockdown. This month, we have gone into a severe lockdown (stay at home) and will remain for at least a month. The virus numbers for our area are out of control. The hospitals are nearly at their maximum. Not going to mince words, it is difficult. And YET...God's grace, mercy and peace are with us.

- ~We are thankful for the many people who pray for us.
- ~We are thankful to those who support us monthly as well as those who give throughout the year and special year end gifts. It is needed for rent, food, phone, Scottish taxes, and ministry. It is appreciated!
- ~We are thankful for the encouraging messages and emails.

We are still doing all of the ministry online or by phone including church, Bible Study, children, youth and Kinrick Kids. Kinrick Kids videos are made here at the house with our awesome team including segments for a wee chat, an object lesson, Bible verse, puppet skit, craft, game and music. One of these days, we ought to make a blooper video, because we have plenty of material for it! Cassy and Esther wrote a song years ago about God being our super hero, so it was a perfect addition to one of our Kinrick Kids videos and the reason we are wearing the masks and capes in one of the pictures.

Our highlight of the month...Sunday School (children's church). We challenged the children to bring a Bible verse and share it. What a blessing (and encouragement) to us when all of them brought a verse and shared from Bibles and Devotionals that we gave to them!

Thank you for your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

Planned and Prepared

Leading worship online during lockdown is something that has definitely been a learning experience! It really is my heart that no matter what distance, that our church will engage during the music so that we can all experience what God has for us as a group and as individuals. Although of course there are difficulties in life right now; we don't have to settle with just getting by. God has amazing things for us all that He has planned and prepared for this exact time! I'm excited to see what God has in store!

Peace, Cassy
