SCOTLAND

SCOTLAND

Some of you may have noticed that the top of this newsletter now says “Scotland” instead of “Germany”. As I mentioned in my previous newsletter my original plan was to go to Germany, however, current travel restrictions make that impossible. After prayer and seeking an alternative I was connected with Bob and Melissa Hill. They are missionaries with Globe International and have been serving in Scotland since 1995. They have been very kind and offered me the opportunity to intern with them! I am very excited about this opportunity to go to a country I have wanted to visit for years and to work with such experienced servants of God.

WHAT EXACTLY WILL YOU BE DOING?

The work I will be doing in Scotland is a bit different than what I would have been doing in Germany. I will be at Overtoun House in southwest Scotland working with refugees in partnership with Grace Women’s Project. Because of the type of ministry I will be doing I am limited as to what I can share in print. If you wish to learn more about Overtoun House feel free to ask me directly or go to their website www.overtounhouse.org

WHAT’S NEXT?

Now that I have a place to serve overseas, my nextstep to moving is to raise funds. I will need to raise monthly support as well as funds for initial moving costs. I will be doing fundraisers, writing letters to individuals and reaching out to church groups. If any of y’all in the Pensacola area would like me to come speak to your church group about my mission work feel free to reach out to me by phone (850-512-7239) email (chloevstitt@gmail.com) or via Facebook messenger. If you know anyone else who would like to receive my newsletter, reach out using the same avenues. If you are interested in donating you may use the form and envelope included in this newsletter or go to globeintl.org/members/stitt-chloe
