

Honey Happenings

Hello Friend

March 2021

There is always work/maintenance to be done here at Overtoun House. A company donated some scaffolding and even set it all up, so I will be able to access the roof much easier to find and fix some of the repairs that are needed. We are into our cold, rainy and snowy winter season that usually includes gale force winds, so I can work on it when weather permits. **See picture... Some folks don't like heights very much. Would you go up onto the roof?** I also made a new entryway and closet for some needed storage space for Bob and Melissa's granddaughter who lives here.

From **ANALEIGH...** I like Kinrick Kids because Ryan and Chris help me learn more about Jesus. I like the puppet Shuggie, especially when he and Cassy say funny stuff to each other. Shuggie and Cassy also teach about Jesus and knowing him more. I also really like the games, especially the one where you roll the dice, get the right number to open up the parcel while wearing these big gloves.

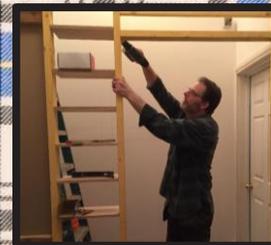

We are in the process of renovating a room in the basement into our Kinrick Kids studio. Schools are just now gradually reopening after months of just online/home learning. We know that after school clubs are not yet allowed and may not be for the duration of this school year. It will be GREAT to have our own space for making the ministry videos and providing live online children's ministry.

Thank you for your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

Trick Shot Challenge

We try to keep the youth connected to God and one another throughout the week. We have done funny picture challenges and decided to try out a trick shot challenge. Each of us did a trick shot and filmed it and put it on the group chat. What I liked was not only the participation but the encouragement towards one another in replies of congratulations on cool shots. We had all different types of shots; from football trash can (pictured below), to down the stairs, to throwing a dog toy back into its box, to a ball in a basket, to a penny cup knock down!

One of my favorite things about God is that He loves fun! We don't have to separate our "fun time" from our "God time" because He is in it all and smiling! My prayer is that these kids will continue to grow in supporting one another and in their understanding that God is safe and the perfect center for everything!

Peace, Cassy
