

## REACHING THE UNREACHED IN THE US & AROUND THE GLOBE

*Globe's newly formed Frontier Initiatives Task Force is taking up the challenge of mobilizing God's people to reach unreached people groups in two strategic places : US cities and their Asia homelands.*

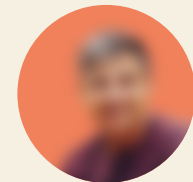

For five years Globe has been developing an Unreached People Initiative. There are over 3.1 BILLION people in the world – over 7 THOUSAND distinct groups – who have no Christian witness. No church. Many have no access to God's Word. Globe's "Frontier Initiative Task Force" has taken up this challenge.

- » We defined a set of criteria to guide our engagement of this huge challenge.
- » We started a Study Cohort of interested people – missionaries and others who love the unreached – to help us research people groups that we might engage first.
- » We set our focus on the unreached in two places: nations in Asia, and cities in the US where the same people are living.
- » We laid out a FIVE-YEAR missionary recruitment and deployment plan.
- » We set an initial goal to raise \$300,000 for reaching the unreached.
- » Now, the newly formed "FRONTIER INITIATIVES TASK FORCE" is MOBILIZING GOD'S PEOPLE TO THE CHALLENGE.
