Hello Friend

May 2021

FREEDOM!!! We are finally out of stay at home lockdown! We are allowed to go beyond the boundaries of our shire/county. As it progresses more and more, our prayer is that the international flight ban will be lifted so that we are able to come Stateside for the summer. Our itinerary is set and we will purchase airfare once the ban is lifted.

Church hasn't been in-person for well over a year due to restrictions. For a recent service, we contacted folks from church and gave them each text to be read while recording themselves. Once Chris received all of the videos, she put them all together and we shared it during church online. A creative way to present the Gospel and for people to see each other.

I enjoyed speaking in our online church service. I used the cola and mentos experiment as a way to show God's response when we honor Him! I love that the God of all creation is blessed when we honor Him! It definitely gives a new motivation to be excited about celebrating Him!

I had the opportunity to write and do a puppet skit for church with Rusty (AKA my Dad.) He wanted everyone to know of the gift of Jesus and how He wants to forgive our sins and help us every day!

Peace, Cassy

Aww Cameron and Carly miss you guys ❤️ here's hoping holiday camps and stuff may be back on next year! 😊 hope you guys are well 😊

It is always awesome to hear from Kinrick Kids and their families! We were encouraged by one of the Mums who shared our Kinrick Kids video to her Facebook page! We miss the children very much and pray that in the fall, we will be back in the schools.

Thank you for your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!
