## Hello Friend

June 2021

We have more FREEDOM as Scotland is coming out of lockdown. The international flight ban has been lifted! We are taking all of the necessary steps to be able to come Stateside for the summer. We have a lot that needs to be accomplished before we can come, so please continue to pray for God to supply all that we need...quickly!

We prepared individual craft kits for each Sunday School (children's church) child. Enough to last Sundays from now until September. Since our church is still only able to meet online, the children can still enjoy doing a craft as well as Bible stories, puppets, songs, games and prayer during our zoom meetings.

While Globe International (our missions agency) held zoom meetings for the missionaries, we met with the missionary kids. Doozer joined us and we all had an amazing time of ministry! Bible verses, worship, prayer, activities, games and a lot of laughter! At the end, we asked them their favorite part of meeting and they responded... being with the other missionary kids! We are looking forward to meeting with them twice a month!

A great opportunity to come together for care, support and friendship!

Thank you for your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

*Praising on a Sunday Morning*

The restrictions have changed here in Scotland and we were able to reopen the tea room again! It has been great to welcome many familiar faces along with new folks. We have one couple who has made a reservation for most of our open days! They said that it is great to have a place to bring the people they have not been able to visit for many months. Since we are still not allowed to have people visit in our homes; it is great to be able to give people a safe place to catch up without the bother of cooking and cleaning up! We hope that people will continue to experience God's perfect peace and joy as they visit us!
