

CARING FOR THE CALLED AROUND THE GLOBE

BOB & MELISSA HILL

AUGUST 2021

HELLO EVERYONE!

I cannot believe it's August already AND that I forgot to send a letter in July. Just not like me! July saw Bob fly to the States unexpectedly on business. He is staying there and travelling until I arrive the end of August, then we'll travel together for a few weeks. Years in the Air Force and then years of travelling separately as missionaries should make this ok, but it feels weird for him to be away for weeks. I guess it's the long months of being together during covid lockdown.

We are in conversation with a Church of Scotland in Clydebank to share their facilities. It looks very promising. The church keeper was excited about our having a band and said she'd come and worship with us! Glory! We hope to be in the building by mid-August. I'll keep you posted! On a very sad note, the Church of Scotland is dying out as a denomination. There will be NO ministers in the town of Clydebank as of September this year and the denomination can't seem to attract young men and women to join the profession. Very sad!

With the slowing down of the covid pandemic, several missionaries are travelling to the US to see family and to get much needed rest and healing. One single lady was preparing to head out in August, but was suddenly hit by severe abdominal pain ("I'm afraid to eat because I don't know what the pain is") and the fact that covid was on the rise in her country. She headed home in July. Others are seeing their grandchildren for the first time, and still others are getting much needed medical care. The needs and the care for people never stops, even in a pandemic!

As I said earlier, Bob is in the States. I'd like to thank Pastor Bruce Terry, Liberty Church, Birmingham, AL, and Pastor Don McCaig, Vine Fellowship, Arlington, Texas for giving Bob the opportunity to share in your service. Thank you, as well, to Trey and Stephanie Garrett, part of our Executive Team, Chelsea, AL for hosting Bob! GOD bless you all!

As a final note, old houses can have major needs. This one has a major need – a new water pump. Yahoo!! If we want water on all floors, we need the pump. Ha! We are currently working on half of the pump and have ordered a new one at the cost of \$10,000. Glory! Please pray with us that this need is met!

Thank you so much for your prayers and support. Our God is THE awesome God! He loves us and He loves you. "May God's delightful grace and peace rest upon you." 1 Thess. 1: 1b

Love you,
- Bob & Melissa
