## Hello Friend

August 6, 2021

We very much appreciate your prayers while we are Stateside for traveling, for our health and as we raise our support! THANK YOU!

We have enjoyed Haney and Kueper family time! Best times are sitting, chatting and playing cards/board games. Family time also included sitting around a campfire along the lake and visiting beautiful gardens! Loved all of the reminiscing about childhood memories!

Doozer (puppet) has been to several locations to make wee videos for the Globe Missionary Kids. We have also had Zoom meetings with them. So far, the most memorable is when we needed to set up outside of a library in their parking lot so that we could use their wifi... having puppet time, songs with actions and playing a game...outside!

We had an awesome time helping to set up a food booth at a county fair with Antioch Church! We worked a busy shift ! I (Ryan) served BBQ and Chris helped prepare the pies into individual containers and made sandwiches. It was a busy day and we even ran out of items!

We are on the road itinerating! We have been to Trinity Lutheran, Blissville Church, Harvestime Fellowship and Cornerstone Church. We are thankful for your prayers, friendship and support! We are looking forward to sharing our stories over the summer and hope to see you in our travels! Watch our facebook for details or send us an email.

Thank you for your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

## Meanwhile in Scotland...

We gave the youth the task of presenting a Bible story as an object lesson. They did fantastically! I would have never thought of jenga blocks to represent David and Goliath. Nor would I have thought of Daniel and the Lions den going along with cornstarch. It is great to see them growing in their faith, and willing to step out and share!

While my folks are in the States, there are people who take turns running Sunday School. Dad and Mom have it set up that the devotional I wrote for children is what is being used each week. It was a real honor to get to read it to the children and experience them participating!

**Peace, Cassy**

PS...Lang may your lum reek! is Scottish Gaelic for *Long may your chimney have smoke...or in another words, Live long and prosper!*
