

August - September 2021

DEAR FAMILY AND FRIENDS

Christ is the perfect example of life for us to follow. He is the life, the truth, and the way.

Christoph teaching at Bible school class

Jesus stood for the oppressed and brought liberty. He fed the hungry, healed the sick, set freedom to the prisoner, and proclaimed the good news. Jesus was and is the radical transformer. He performed signs and wonders and brought life to a lifeless world, and He has assigned you and me with authority to continue to make disciples. He has promised to be with us to the very end of the age. (Matthew 28: 18-20)

Zoom has been a blessing to connect with leaders

CORONA AND MINISTRY UPDATE

Some of our dear friends have been released from the hospital and are finally catching up with everyday life again. Thank you so much for all your prayers for friends and family.

Lokmani pointing to me to the next village

Thank you especially for praying for Lokmani, the leader of Asish Children Home, as he spent a long time in ICU. Now he is back home, and it was wonderful to see him attend one of our zoom fellowships after a long time. While we are rejoicing with Lokmani, we also mourn as two more of my pastor friends have gone home to heaven this week. God is still good, and He knows the number of our days.

Distribution of food to the people in Dolakha

The fall semester of our online bible school classes has started. It is so good to worship and share the word. My friend Christoph has been a great blessing to us. We both are teaching courses at this moment, so we rotate the schedule. It is still too early to have our residential classes, so we will continue doing zoom classes. This has also given opportunity for many people to attend from where they are, without leaving their home.

Kids at the children's homes are doing well. Regular schools are still closed, and they have to attend online classes. No one knows when the students will return to school physically so we may need some more computers. If you would like to make an extra donation towards computers, please mark the contribution with "computers-orphanage". This will really help the children study. Thank you so much!

Churches have stored food for the people who need it the most

Saving the tent

Mountains in the rain

Nidarosdomen

SUMMER UPDATE

This summer, we enjoyed Norway in both wind and rain and a bit of sun. It was quite the adventure! We packed our tent and sleeping bags in the car and drove over mountains and down by the fjords around Norway's west and northwest areas. It was stunning! We were also able to visit one of the oldest and well-known churches in the area, Nidarosdomen in Trondheim, a place where pilgrims have visited for over 1000 years. The day we were there, the wind picked up so much that we had to get back to the tent early, and when we arrived, the tent had collapsed, and someone had placed a picnic table on top of the tent to prevent it from flying away. We decided to move further inland where the weather was better and set up the tent somewhere else.

Lastly, we took a short trip to Sweden, where Rebecca met one of her friends from Nepal.

On the way back home, we visited a water park, and we all enjoyed the slides and lots of ice cream.

Samuel turned 12 years in August. He is now in 7th grade, Rebecca in 9th grade and Sarah in 2nd. Rebecca will turn 14 years old in September. What a blessing to see them grow! Thank you for your prayers and contributions to us. It really means a lot!

Enjoying our dinner!

Nidarosdomen in Trondheim in the background

Samuel could get a whole cup of candy!

PRAYER REQUESTS

- Pastor Markus and his family will appreciate your prayers. They are seriously sick. Please also pray for some of our friends who are admitted to the hospital and who are fighting for their lives with Covid.
- Kids are home at both children's homes. This month we need to admit them back to school. The school charges a fee for admission each year. This means new books and outfits plus the admission fee. It costs \$80 per child and it is a big extra expense, especially now with all the extra Covid expenses.

Sudip, Anne Lise, Rebecca, Samuel og Sarah Khadka
