

Honey Happenings

Hello Friend

September 2021

Wow, such a busy month of traveling! Thank you Pastor Mel and Cornerstone Church and Mary Jane for your prayers and support!

We have an awesome story to share about while we were at Antioch Church...I (Chris) bought 15 of the wrong deodorants to take home. I put something on Facebook about selling them so that I would get the money to buy the right ones. While praying, I felt that God was going to provide a \$100 bill that will more than cover the cost and that I was supposed to donate the deodorants to a specific ministry. After church, we went to our table and there in our donation box was a \$100 bill! We serve an Awesome God who provides!!! A bit MORE to this story...When we dropped off the 15 deodorants at Teen Challenge, they said they are a much needed item and they have 15 girls! Awesome!!! Thankful for our friendship with Pastor Dave and Linda!

While at Emmanuel Church, we were so blessed when Pastor Kyle had the children of the church pray for us! After speaking at Countryside Fellowship, Pastor Andrew had us pray for the children of the church.

It was awesome to spend some extra time with Pastor Tony and Cheryl. Thank you Crosswalk Fellowship for your friendship and support!

Thank YOU for your support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

Meanwhile in Scotland...

I had a chance to do the speaking for church. It was my last online service for a while as our church will soon be meeting in person again. I spoke about how, at times, we forget who we are, who God is, and who He has called us to be. When our identity is found in Him, we can mirror His goodness. When I was closing, it suddenly came to me that we as God's children are like a giant jig saw puzzle. We may think that there are pieces of the puzzle that are more important than others, but this isn't so. Each piece is equally needed to be able to complete the puzzle. So, today, if you feel like your piece doesn't matter, know that your piece is what completes His masterpiece!

Peace, Cassy
