in Mozambique

OCTOBER 2021

Blessings to All!

Praise God COVID has declined significantly in Mozambique! The government has not completely opened the country back up but is still cautious because of upcoming holidays. Our schools are only having classes two days a week and although things are moving forward, the last 2 years of education has caused the kids to fall behind and it's sad because most of them already struggle in learning.

Our youth are doing great, working hard, studying, and getting better at soccer. Recently in Bible class, I learned that all our youth have accepted Jesus into their hearts before they came to BOHA. Praise God! It is such an honor to continue teaching our youth at a young age to have a personal relationship with Jesus daily and grow in their faith!

Stair step 2021

Help us fill our prayer tree with leaves! In the past, one of my world race teams painted and decorated my prayer room. They painted a tree on the wall and the leaves are covered with pray needs. If you have a prayer request, we would like to put it on our tree and stand with you in faith for God's answer. As we teach our youth important life lessons, through actions, it stays with them throughout life. Praying for our needs, trusting God, and praying for others is so important. Please send your prayer request to angiemoz67@gmail.com. We will put it on our tree and pray over your need daily.

I have more news! Enia is going to have a baby! Yes, that means I am going to be a grandmother. Although this is not the path I would have chosen for her, God alone gives life and so for this new life we are grateful. Pray for Enia as she is excited but dealing with a lot of grief as well. The baby's father was killed in a car accident just a few months ago and so she has times of extreme happiness and is also overwhelmed with grief. Enia is in her last year of college, so all of us at BOHA will be helping her take care of the baby while she is at school so she can finish this final year. November 13, 2021, there will be a baby shower and gender reveal. I will put it on Facebook, and you can celebrate with us.

If you are not a monthly supporter, would you prayerfully consider joining others in covering us with daily prayer and being a part of meeting the needs of BOHA. Committed monthly support allows us to follow a monthly budget to meet all our youth's needs, our ministry to function well and reach out to our community. Together, we can bring God's vision to life. Technology has made giving easier online or by cell phone donations and for convenience or time saving, you can even set up recurring donations, if you are interested. You can go to www.beaconofhope-africa.org/donate; it will take you to Globe's donation page where you can choose how you want to give.

Jesus, thank you for your faithfulness in every situation we face. Thank you for bringing us together into your family and teaching us to always love and pray for each other. May everything we do bring honor and glory to You. I ask for you to heal those who are sick, speak new things into our lives, and show us ways to touch others. Jesus, I love you, and I am so blessed and grateful for every prayer and financial partner of BOHA and for all who read this newsletter. Pour out your abundance in every way and in every life.

Let's Continue to be a Beacon of Hope,
