NOVEMBER 2021

## HAPPY NOVEMBER!

Another year has flown by and once again, we find ourselves closing out one and at the same time preparing for the new year ahead. Praise God we are still moving forward and hopefully we can put this pandemic in our rearview mirror. Despite this year's difficulties, we have accomplished many things and are truly blessed to all be healthy.

With airfares at a reasonable rate, I'm able to fly home for a visit and spend two months with my family. I will be leaving Africa on November 15th and returning on January 19th. This means I will be home in time for the birth of Enia's baby. I can't tell you how excited I am as it has been three years since I was home. I'm already thinking about the stores I want to shop at, the kinds of food I'll get to eat, and of course, sitting on the front porch drinking coffee with my Mom. It's all the little things that you miss that most people never think about. I hope to see as many friends and family as I can, but mostly, I just want to rest and spend time with my family.

Here at BOHA we don't give our youth a Christmas gift because we provide our youth with all their daily needs and an education throughout the year. That is the real gift. Each November, I share with you what we need to complete our year and begin the new year well. Your monthly support helps us take care of many of the day-to-day needs and we are so grateful!

BOHA would like to invite you to be a part of our Angel Tree year end fundraiser! These items include our youth and BOHA needs to begin 2022! Many of you like to give a year end donation or extra gift at Christmas to help us with our start to the coming year. You can donate through our website [www.beaconofhope-africa.org](http://www.beaconofhope-africa.org) or send in your gift through the mail to Globe International!

These needs include school fees, school supplies, uniforms, personal items, and bedding for all the youth. The ministry is also in need of an industrial gasoline weed eater, kitchen pots, pans, dishes, and tools for gardening and 50KG bags of peanuts and beans.

The awesome thing about being a part of God's family is we get to come together, giving as he leads and provides and meet the needs of these youth. Thank you in advance if you choose to be a part of this extra end of the year blessing for our youth and BOHA!

If you are not a monthly supporter, would you prayerfully consider joining others in covering us with daily prayer and being a part of meeting the needs of BOHA. Committed monthly support allows us to follow a monthly budget to meet all our youth's needs, our ministry to function well and reach out to our community. Together, we can bring God's vision to life.

Jesus you are the reason for every season, and we thank you for all you have done and all you will do in the year ahead. Thank you for another great year and I thank you for the honor and privilege to be a part of BOHA, and for all our amazing partners. Pour out your abundant blessings on each person who reads this newsletter and bless them as they spend the holidays with family. May your love and presence fill every home as we honor you in this season of giving. It's all for you Jesus!!!!

Let's Continue to be a Beacon of Hope, - Angie Wheeler
