

# For unto us a child is born

ISAIAH 9:6

Hello! Blessings dear family and co-laborers of the calling to go into this nation of México and make disciples that would make disciples. The year 2021, has been very challenging and confronting us with our weaknesses. This has been a year to look deep and reach the deep faith and hope we have built in our character and spirit.

The feeding program is running smoothly and with persistence as everything allows it to be. There has been a few times where we needed to suspend serving because of the possibility of a COVID-19 risk. Yet the kids are interested and attending faithfully and are hungry for the Word.

The youth had their youth camp with a very significant attendance, and high enthusiasm and joy. They are pushing against a frat opposition in the midst of growing physically and emotionally in the Lord.

The congregation have a few new families that have been holding in faith and integrity. For example, Don Roberto, an ex-alcoholic, has been faithfully attending church this whole year. Growing in knowledge and maturity in the Word, he has already brought, for a month, a man out of the same condition he used to be in, to disciple and nurture in the Word.

Sra Rosario, with lots of struggles and her kids being bound in alcohol and other things, has been praying for them. Her desperate, depressed son had asked her last week for help and she prayed for him and he is now better, and believing with her for deliverance. Sra Elena and her two daughters are coming and making all possible adjustments in their time, to the congregation and to be in the school of ministry, which we have to train those that want to go deeper in the Word. There are many more testimonies of people and families that are being transformed by the Word of God in their hearts. Anyone is welcome to come and see your investment and provision producing for eternal life in Jesus.

We just had a Serenata time with the Lord on October 31st, singing, praying, and just seeking His face; not asking for anything but just being thankful and worshiping Him. Needless to say, He showed up with us with such a thick, strong presence we could just smell, feel, and submerge in Him. We heard testimonies of our people that have overcome and are standing strong in the midst of this pandemic effects and diseases that follow it.

As we celebrate the great freedom given to us through Jesus, please remember you have answered the call to go. We are together in the callings tasks assigned us for and in Mexico.

Isa 6:8 "And I heard the voice of the Lord saying, "Whom shall I send, and who will go for us?" Then I said, "Here I am! Send me." ESV. {you have answered "send me" as well as we did; we are one in it}

Thank you for your seed of prayer, love, and finances. It is a productive investment in people and families.

Remembering our saying, "some give, others go, but together we fulfill the great commission".

Serving people with joy and peace,

*Gorge Luis & Rosa Elia Gutierrez*
