

to the world

Christmas wishes from Katie

From all of us here at Project Purpose to all of you who have partnered with us. We are sending the warmest of season's greetings. We Pray that you and your families and friends experience real joy and peace this holiday season and into the New Year. We pray blessings, peace, wisdom, joy and strength to you and yours. May you know the Joy that His presence brings and may you find reason to celebrate the true meaning of Christmas. May Joy and Peace be your portion.

We thank God upon every remembrance of you and we truly appreciate your loving support of our ministry. From our family to yours, sending big double-sided hugs filled with love and gratitude.

Katie the PP Team, The Princesses, and their Children
