The Perekotiy Family  
2021

*Dear friends & family*

In 2021 God graciously gave us a year of clarity and refinement, both in our family life and ministry. We often look at one another and remark what an incredible life God has provided for our Amerikrainian crew.

Chambers (8) is dreaming up small business ideas with his math-loving brain. Lev (6) loves art class and sketching imaginary worlds. Mila (5) has blossomed as a crafter and caretaker of many stuffed animals. Remi (2) can name dozens of animal species and you will always find her carrying her babydoll.

Living in a multicultural context can be challenging and sometimes lonely, but we are held up by the faithfulness of the Lord and by you, our family and friends. We pray God's peace and joy over you this season!

"Herein is wonder of wonders:

He came below to raise me above, was born like me that I  
might become like Him....

Place me with ox, donkey, camel, goat, to look with them upon  
my Redeemer's face,

and in Him account myself delivered from sin!"

*The Valley of Vision - Gift of Gifts*

*With love, Aurig, Madison, Chambers,  
Lev, Mila & Remington*
