

# For unto us a child is born

ISAIAH 9:6

First of all, let us wish you a very Merry Christmas and a Peace-filled New Year. Praying that 2022 brings God more into focus and less on the fringe of societal life, be it here in USA, the UK or the Philippines. Let God arise!

Christmas, they say, is a time for gift giving. Yahweh God started it all by sending his Son, Yeshua, to be the free gift of eternal life to all who trust and believe on Him. The gift of a lifetime and one not to be refused, even though it seems the gift of eternal life in the Presence of Yahweh is being spurned every day, how sad!

This year, you have helped send gifts of the practical love of Christ to many in the Philippines. In 2021, we were able to send a total of 15 large boxes and 4 small boxes to Mindanao. This is amazing, honestly! With your financial support covering some of the costs, and with the help of the Lord in finding us the bargains we needed, this has been a year of blessings to many whose need is urgent and real. In terms of groups, we've helped Kimaya Missionary Church and their youth program Chosen Generation, Kimaya Elementary school, and Kimaya families in need. We also helped Consuelo Community Church, along with their outreach to the tribal peoples and their outreach arm Christ Ambassadors, Consuelo Elementary School, Civoleg SDA ministry, the Bendoy family, Immanuel Community Church in Gingoog City, celebrating its one year anniversary this past November with Fathers Jerry and Winston, and families attached to the SDA sanitarium with outreaches, etc.

We helped around 120 families, with many hundreds of children. We've provided basic hygiene needs like soap, shampoo, deodorants, sanitary wear, toothpaste, toothbrushes, body wash, lip balms, lipsticks, reading glasses, underwear, shoes, clothes, all manner of school supplies and bible activity coloring books and much, much more! All this is to simply tell them that Jesus Loves them and God has not forgotten them, powerful expressions for sure because it's true and the Truth shall make you free!

We supplied copy paper to both elementary schools and some families, we helped purchase an outboard motor for a fisherman, we allocated small cash gifts where urgently needed and we're supporting 6 young people through college. One graduated this year and has now managed to return to her family home in Iloilo having studied in Gingoog City College and graduated with a BA in Secondary Education.

On behalf of all those who received gifts through Live Loved, a BIG Thank you and Merry Christmas. Please consider partnering with us financially through Globe International, every gift is used to fully support our work in Mindanao.

Live Loved and remember, that with Jesus You'll Never Walk Alone! #YNWA
