## MERRY CHRISTMAS!

This is an extraordinary and blessed Christmas for us, as we start an altogether new chapter in our ministry based out of the US. We are trusting to see an impact far beyond what we have seen so far, and thank you for all you have done to make all of this possible! We want to take this opportunity to pray that this Christmas will be the richest and most blessed for you ever, that Jesus' sweet presence will be the greatest ever for you this season, and that this next year will exceed anything you have ever experienced of God's richness and goodness!
