### January 2022

#### HAPPY NEW YEAR!!

It's hard to believe another year is past. When we were young, it was inconceivable to us that we would ever see the year 2022! Yet here we are and yet there are still millions who have not heard the good news of Jesus!

Last year was quite eventful in spite of COVID. Just a quick run down of the high points:

- Frontier Initiatives Task Force focused on the unreached continued to move forward
- Justin and Sonya LaRocco became our Assistant Directors for Training
- Christy Hepner, veteran missionary in Costa Rica returned to become Globe's first ever Director of Mobilization
- New missionaries were launched and some of our veterans stuck in the U.S. were able to return to the field. Many still remain here awaiting the all-clear from their host countries.
- New partnerships with other ministries were begun
- Danny became a certified life coach
- Danny and I took a new course with several others from Globe called "Transformational Leadership"—which was a huge blessing
- Member Care Team underwent some debrief training to help our missionaries more effectively
- New missionary candidates began their process with Globe
- The online candidate school began under Sonya LaRocco's direction and continues to develop and flourish
- On a personal front, we enjoyed celebrating Thanksgiving and Christmas with at least some of our family
- So much more!

As we begin 2022, we look forward with much anticipation. By the time you receive this letter, Danny and I will hopefully be in Scotland for a couple of weeks with Bob and Melissa Hill, Directors of Member Care. This will be a time to sit and plan with them as we try to improve our intern program and give it more structure. We will leave January 13 and return January 29.

Later this year, we plan to visit Cambodia. The purpose of this trip is to get to know some new ministry partners. Agape International Ministry, an anti-trafficking ministry has begun a partnership to send all of their new missionaries through Globe. Danny and I, along with another Globe colleague will be visiting their ministry, getting to know their on-field workers, and giving them an introduction to Globe.

We could use some help financially to fund these and future travels. Please pray about being part of these ministry trips financially. If God leads and you wish to give toward the expense, please designate your gifts for "Armstrong Travel".

We hope to be able to do more of this travel in the future. For these trips, please pray for:

- Negative Covid tests
- No cancelled flights or missed connections
- That we will be an encouragement to those we visit
- The funds to cover all of our expenses

Thank you so much for being such a vital part of all we do.

Blessings,

- *Danny & Judy*
