

Honey Happenings

Hello Friend

February 2022

The Globe Kids zoom calls have expanded to 3 meeting times in order to be available to missionary kids all around the world. We love bringing friendship, encouragement, and support! They love Doozer (puppet), the games, seeing each other and praying at the end of each meeting.

We love teaching each week at children's church! They enjoyed learning Jeremiah 29:11! They were excited to draw what they want to be when they grow up (Army, YouTuber and a Makeup Artist)! They know that God is with them to help them every step of the way!

Recently while recording for Kinrick Kids on Location, Hamish → was finished teaching the Bible verse when we noticed that we had an audience. We were asked a few questions about what we were doing and then an older gentleman encouraged us to keep persevering and sharing the love and hope of Jesus!

It takes a lot of planning for a summer Stateside trip!! First step is finding a car to use which determines our flight destination for airfare then we will be contacting churches for our speaking schedule. We would appreciate your prayers as we make plans.

Thank YOU for your love, support in prayer and monthly investments! Not just a donation; but partnering with us to make a difference! Together, we are sharing the hope of Jesus and YOU share in the blessing!

We have prayer for thirty minutes before church every Sunday. Paul is always prepared with written prayers from our list that he has already prayed for throughout the week. He is a blessing!

The church that lets our church meet in their building also has several other groups that use the building. One of those groups is a 12-step program. Lewis (not his real name) was going to that group and is also interested in understanding God more. One of the elders from the other church told him to try out our church service. He has been coming to our church and weekly Bible Study meeting and seems keen to learn more. He says he is at a point where he mentally understands things and that the next part is getting to the place of believing. Please pray that he would continue to come and search for God, and that God would reveal Himself to him in a real and personal way! God has great things ahead for Lewis!

Peace, Cassy
