

# LISSI HOLLOWAY THE PATH OF LIFE NEWSLETTER

FEB  
2022

**DEAR FRIENDS,**

## Welcome to Path of Life

We strive to stop the footprint of abortion through prevention, inspiration, and compassionate care.

The Path of Life project helps crisis pregnancy centers and pro-life organizations around the world to increase their impact by providing pro-life educational materials, training, opportunities for networking, and grants for specific needs like baby items and emergency help. Sometimes we send this help, and other times we take it to the centers.

What a joy to see women come to Jesus and choose Life. What a blessing to know that they will teach their children the word of God!

OUR Lord surely turns mourning into dancing.

Your prayers and support are saving lives. Thank you!
