

# The King's Harvest

GO. BAPTIZE.  
DISCIPLE. MULTIPLY.

Dear friends & family,

Have you ever wondered what happens when two international missionary families, an American ministry, a local church in Rockwall, Tx, all who love God, love others, and have a desire to disciple people, get together for a week on a border town in Texas? Keep reading to find out.

In February of 2022, we all descended on Laredo, TX for a week of outreach called #ReviveLaredo Encounter Week that aims to blitz the border town of Laredo with prayer and the gospel for a solid week equipping the local church to go out into the community to share the Gospel and make disciples.

Laredo is a border town of Texas with a population of 266,000 where the vast majority of the population speaks mainly Spanish, some speaking no English at all. Laredo is also a major hub for transport of goods. It has been estimated that over 30,000 semi-trucks go in and out of Laredo every day.

Encounter Week saw a collaboration among over 100 people from TTR, six Ridgeview Church members (a supporting Texas church), two Globe Intl. missionary families and 8 local churches in Laredo. This week of ministry could only have been described as incredible. We all came together across denominational lines to share the gospel. We can sometimes forget that many people who now find themselves in America or have lived in America for many years have never heard the simple truth of the Gospel.

In 7 days, we saw 147 teams of 4 hit the streets. We prayed with 748 people and shared the gospel with 565 people, most were local, some of which were truck drivers, some were undocumented, all were looking for hope.

As we partnered together with God, we saw 139 salvations. 103 of those people were matched with a local person from Laredo to disciple them. We even baptized 5 people in the TTR Mobile Baptism Truck. It was a beautiful example of collaboration within the body of Christ working together and living out the Great Commission.

*"Therefore GO and make Disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit".*  
- Matthew 28:18

Praise Report: We have a rental contract for a bigger house in our same neighborhood. We are excited for this new step and can't wait to see what the Lord is going to do with it.

Prayer Request: We are putting into practice some TTR prayer and evangelism tools in our own local area and are praying for open hearts as well as considering hosting a team from TTR here in SLP in the near future.

- the Barnes family
