THE PEREKOTIYS

ODESA, UKRAINE

SERVING VULNERABLE CHILDREN + UNREACHED PEOPLES THAT THEY WOULD PRAISE + PROCLAIM JESUS CHRIST IN UKRAINE + AROUND THE WORLD!

It's been more than one month since the conflict with Russia escalated to a full-scale war in the entire country of Ukraine.

We are disheartened as the days drag on -- and we aren't in Ukraine, so we know it's only a fraction of what our people on the ground are feeling. We are encouraged by the stories we hear of God's miraculous intervention --

*tanks stuck in small rivers.
rockets that don't explode.
Christians allowed through checkpoints with supplies.*

This is just the beginning.

Along with our partners, we are developing long-term plans for serving vulnerable children + families long after this war ends. *Please pray for ideas, creativity, wisdom + direction as we strive to meet these needs.*

STORIES OF HOPE

A long-time friend in Odesa reached out to us with the need for a van that would deliver critical supplies to eastern Ukraine, then evacuate families to the western border.

Thankfully, her contact V* found a van that was in good shape! The \$8,000 sent along with funds from our friend were immediately put to use. Even more importantly, **V is willingly putting himself in danger to help those in need.** On the way to a city near Kyiv to drop off supplies, V came close to Russian blockposts, so he nervously redirected the van to avoid being shot.

On this detour, he met a local man who asked for a ride. V welcomed him in, not knowing that helping this man would be the best decision of the day. This man directed V exactly where to go.

As the gas meter was nearing empty, the man called local farmers, who came to the rescue. In the middle of a field, they pulled up a tractor + siphoned off the 10 liters that V needed to pick up the family with 6 children!

God is providing every step of the way. In the large and the small. Just when we are empty, He provides again. **Through the War Relief Fund with Globe International, we will continue to support needs like this for our Ukrainians.**

Would you consider giving to our family support or the War Relief Fund so that more Ukrainians can be reach with the gospel through humanitarian efforts?
